CoderDojo Nelson Code Club Consent Form

Dear Parent/Caregiver,
Please read, sign and return this form to our parent coordinator.

Name(s) of Child/Children: _____

1. All CoderDojo volunteers are offering their services voluntarily and on a good faith, not-for profit, basis. Neither the CoderDojo volunteers nor the host venue bear any responsibly or liability whatsoever or howsowever arising, for any loss or damage, whether direct or indirect, arising from any advice or instruction, or lack of advice or instruction, offered by any CoderDojo mentor.

2. Parents/caregivers are welcomed and encouraged to attend our sessions alongside the children. If a parent/guardian is unable to attend alongside the child, we require that you either appoint another adult who is in attendance as the responsible person for your child OR notify our parent coordinator and ensure that the parent coordinator has your contact details. The responsibility for each child attending CoderDojo ultimately lies with the child's parent(s)/guardian(s) and neither CoderDojo volunteers nor the host venue bear any responsibly or liability should any issues, problems or emergencies arise for unaccompanied children. In other words, parents/guardians leave children entirely at their own risk.

3. 'Parent coordinator' is a volunteer role within CoderDojo fulfilled by a parent/guardian of a club member for the purpose of assisting with some of the administrative tasks of running the club and liaising with other parents/caregivers.

4. I give permission for my child to have his/her photo taken for use in CoderDojo media such as our website or Facebook page.

Please indicate below any areas of concern, relevant health conditions or any other issues that may affect your child's safety during CoderDojo sessions:
